Vioris was a pronounced favorite over Independent party? It seems to me that this party is asking the support of all Hawaiians, and since I was born as a Hawaiian, I would like to know reason why I should be an Independent. I should feel thankful if anyone would tell me what the Aloha Aina and Kalaiaina Societies have ever done for the Queen and her people. It is ridiculous for us to believe the advice of men who said that the Queen would get back to the throne on such and such a date, and yet nothing of what they said has ever been accomplished. Today we hear them say to each other to drop the attempt for the restoration of the mon-archy. I hope that those who have not allied themselves with the Independent party will make up their minds that it would be a wise thing for them to join the Republican or the Democratic party. I am proud to say that I was an annexationist, and today a Republican.
